Court Leave—Appeal From
This Ruling is Made.

In the matter of Melekina, et al. vs. Hana Kuoha, et al., bill to set aside a deed, Judge Perry yesterday filed a decision granting the prayer in complainants' petition. In this suit complainants ask that the Court declare null and void a certain deed dated December 14, 1892, and purporting to have been executed by one Kamallohi and to convey to respondent, Hana Kuoha, all of the grantor's kuleana in two Apanas, situated at Kalahiki, Kona, Hawaii, alleging as grounds for their prayer, first, that at the time of the execution of the deed Kamallohi was insane, and, second, that respondents obtained the deed by undue influence and fraud. Judge Perry found the points established by the evidence, and declared for the plaintiffs accordingly. Kinney & Ballou for complainants; Castle and Weaver for respondents.

Judge Stanley has dismissed defendant's appeal in the ejectment matter of John Hana vs. R. W. Wilcox. This is after hearing argument of respective counsel upon plaintiff's motion to that end. In the matter of the Trustees of the Bishop Estate vs. W. O. Smith, Attorney-General, bill for relief, Judge Stanley has filed a decree setting forth as follows: "Now, therefore, it is ordered, adjudged and decreed that the Trustees under the will of Bernice Pauahi Bishop are vested with a discretion to act in regard to the sale and disposal of the land devised to them by the will of Bernice Pauahi Bishop, or conveyed to them by the several deeds attached to their complaint whenever it appears to them expedient and for the best interests of the estate, without application to this Court, and without any further or other authority than that contained in said will and said trust deeds." The Attorney-General appeals from this decision to the Supreme Court.

In the matter of Henrich Hopfe vs. E. C. Greenwell and Samiel Davis, ejectment, a decree was filed yesterday in which it is adjudged that the plaintiff recover of the defendant E. C. Greenwell that portion of Grant 1862 to Kapule, described in plaintiff's amended complaint, and as to that portion of Grant 2004 to Kuana, plaintiff shall be dismissed without day. Litigants are to pay their own costs. Judge Jacob Hardy has applied for letters testamentary of the estate of his daughter, the late Mary Hardy, of Lihue. The estate consists of realty in Honolulu valued at \$300 and money, stocks, etc., valued at \$2,450. The legatees are the petitioner and two brothers and two sisters of deceased.

In the matter of John K. Sumner vs. M. F. Crandall the accounts of J. A. King as receiver have been approved and the cancellation of his bond as receiver consented to Castle and Weaver for J. K. Sumner.

It has been agreed between litigants that the equity case of Mary E. Foster, et al., vs. Kaneohe Ranch Co. may be heard on Tuesday morning, October 11. Kinney & Ballou for plaintiff; Cecil Brown for defendants.

Satisfaction of judgment for \$243.90 has been filed in the matter of M. F. Scott vs. A. R. Rowatt.

The case of Mist vs. Coelho was argued in Supreme Court yesterday and submitted. Solomon Berliner as next friend has been substituted for Rose Berliner in the damage suit brought by the young woman against the steamer Columbia. The Columbia cases are returnable in Circuit Chambers today.

Police Court.

In Judge Wilcox's court yesterday morning, Pain Fook was fined \$75 and Sin Wo \$50 for opium in possession.

Kaleikini and Kamakee were fined \$5 each for affray.

Matsua was fined \$5 for violating hack regulations.

John Moluhi, the native charged with highway robbery in Nuuanu valley, will be heard today.

Ella was fined \$10 and court costs for assault and battery on Mrs. Leming.

In the case of Akina, common nuisance, sentence was suspended for six months.

Ueda, the Japanese charged with cutting a fellow countryman, will be given a hearing on September 26.

A Broad Understanding

A broad understanding isn't necessary to an appreciation of the fact that we sell GOOD groceries cheaper than any other firm in town. Nor is it difficult to find the reason. Close touch with the metropolitan markets and cash to pay for what we get make it possible for us to buy "mighty close," and we sell the same way.
